**Prerequisite:**

- **None** Recommended Pre-requisite: ICS 100, 700

**Course Purpose: (TTT is one day course)**

This 3-day course explores the role, design, and functions of Emergency Operations Centers (EOCs) and their relationships in disaster recovery for local level of government. It is intended to Increase local government awareness of issues involved in disaster recovery by providing provide a forum for discussion of "lessons learned" in disaster recovery and promote the development of a pre-disaster recovery plan at the county or local levels of government.

**Course Objectives**

At the end of the course, participants should be able to:

**Describe the purpose and scope of the course and how it can be applied to their disaster recovery role and responsibilities.**

- Describe the local government's role and responsibilities in disaster recovery.
- Identify leadership qualities and actions that contribute to disaster recovery at the local government level.
- Explain how a Recovery Task Force can be used to organize local government recovery operations.
- Identify needed improvements to their pre-disaster recovery plan.
- Identify methods and techniques for providing public information during disaster recovery.

- Describe options for providing shelter, temporary housing, and replacement housing for disaster survivors.
- Define the role of an unmet needs committee in serving the community during emergencies and major disasters.
- Identify the components of the health care system and the role of each component in disasters.
- Describe the role and responsibilities of the local government public works department in disaster recovery.
- Describe the role and responsibilities of the local government building inspection department in disaster recovery.
- Describe the role and responsibilities of the business sector in disaster recovery.
- Describe the role and responsibilities of the local government planning and community development department in disaster recovery.
- Describe the role and responsibilities of local government administration in disaster recovery.
- Evaluate how the materials and resources from this course will assist them in their disaster recovery program
