Time: 8:30 a.m. - 4:00 p.m.

Additional Information:

- G191 ICS-EOC Interface is a required course for the FEMA [APS Certificate](#).
- *Recommended Pre-requisite:* ICS 100.b. Introduction to the Incident command System or ICS 200.b Incident Command System for Single resources and / or Emergency Operation Center Management courses

Course Purpose:

This one-day course provides an opportunity for participants to begin developing an ICS/EOC interface for their communities. The course reviews ICS and EOC responsibilities and functions. Group discussion and two group exercises will be used to help participants examine their existing ICS/EOC procedures and plan for any needed updates. In the wake of NIMS mandatory ICS training and exercise requirements, it is critical that communities plan for ICS/EOC interface policies and procedures.

Course Objectives

At the end of the course, participants should be able to:

- Describe the 14 ICS principles
- Describe MAC/EOC functions and responsibilities
- Use scenarios to analyze the ICS / EOC interface issues in your community
- Begin developing an ICS/EOC interface plan for your community
