

Course: ICS Forms & IAP Development

Location: 2024 New Jersey Emergency Preparedness Conference
Hard Rock Hotel and Casino
Atlantic City, NJ

Date: April 25, 2024

Time: 8:00 a.m. – 5:00 p.m.

Course Goal:

Learn about and use the most common Incident Command System (ICS) forms. The course will prepare you to work with the ICS Forms used in the Incident Command Planning process to assist in developing an Incident Action Plan (IAP).

You will be introduced to the forms and will practice how to develop and write effective objectives to manage an expanding all-hazards incident. The course will allow you to learn and experience the benefits of using the forms in responding to emergencies or managing planned events.

Target Audience:

State, county, and local government emergency managers, other emergency management staff, including but not limited to fire service, emergency medical services, law enforcement, public health, public works, and other local government employees responsible for assisting before, during, or after an emergency.

Required Prerequisites:

None

Registration:

Please register at NJEPA's website <https://www.njepa.org/ehome/698768>. One week before the start of the conference, a class confirmation email will be sent from the NJOEM Training & Exercise Unit. At that time, further instructions will be provided about prerequisite upload, the process to download course materials and equipment requirements. For questions or concerns, please contact the NJOEM Training & Exercise Unit: FieldTrainingUnit@njsp.gov.
