

**G364 Multi-Hazard Emergency Planning For Schools**

Location: Warren County OEM  
1500 Route 57  
Washington, NJ 07882

Date: July 13 – 14, 2020

Time: 8:30 AM - 4:30 PM

**Course Description:**

This 2-day field-delivered course provides schools with the knowledge, skills, and tools needed to refine or develop an all-hazards school emergency operations plan (EOP) and to identify how to train and exercise the school EOP. This course follows the guidance set forth in the FEMA Comprehensive Preparedness Guide, CPG 101, for developing an emergency operations plan and explains how to engage the whole community—including parents/guardians and outside agencies such as law enforcement, fire, and emergency management—in school preparedness and planning.

**Course Purpose:**

The purpose of the Multi-hazard Emergency Planning for Schools course is to enable schools to review the school EOP to determine areas for improvement, make changes and updates, and identify how to train and exercise.

**Target Audience:**

The target audience for this course is school and emergency management personnel who are interested in comprehensive emergency planning for grades K-12.

**Examples of potential participants include:**

- School Personnel: School superintendents, principals, school nurses, risk managers, cafeteria staff, bus drivers, and others involved in school planning.

- Emergency Management Personnel: Emergency manager and representatives of law enforcement, fire, public health, and other response agencies.
