Cape May Courthouse, N.J. 08210

Date: February 27, 2018
Time: 8:30 a.m. - 3:30 p.m.

**Additional Information:**

- G191 ICS/ EOC Interface is a required course for the FEMA [APS Certificate](#).
- Class size is limited to 24 students.

Course Purpose:

The course provides an opportunity for emergency management and response personnel to begin developing an Incident Command System (ICS)/Emergency Operations Center (EOC) interface for their communities. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercises and group discussions to formulate an interface. This course works best when delivered to Incident Command System and Emergency Operations Center personnel from the same community.

Target Audience

The target audience for this course is government officials, emergency management personnel, and/ or first responders who will operate within an ICS structure or within EOC during an event or disaster. Class size limited to 24.
