

**G191 ICS/ EOC Interface**

Location: Passaic County Office of Emergency Management  
300 Oldham Road  
Wayne, NJ 07470

Date: February 28, 2019

Time: 8:30 a.m. - 4:30 p.m.

**Additional Information:**

- G191 ICS/ EOC Interface is a required course for the FEMA [APS Certificate](#).
- Training will be in classroom 124 AB

**Course Purpose:**

The course provides an opportunity for emergency management and response personnel to begin developing an Incident Command System (ICS)/Emergency Operations Center (EOC) interface for their communities. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercises and group discussions to formulate an interface. This course works best when delivered to Incident Command System and Emergency Operations Center personnel from the same community.

**Target Audience**

The target audience for this course is government officials, emergency management personnel, and/ or first responders who will operate within an ICS structure or within EOC during an event or disaster. Class size limited to 24.

Please fill out the [NJ OEM Training Application](#). Then, scan the completed application and email it to [ftu@gw.njsp.org](mailto:ftu@gw.njsp.org). Incomplete applications will not be accepted. You will receive a class confirmation via email prior to the class start date.

**Contact NJOEM Training & Exercise Unit, for more information at office number 609-963-6962 or email: [ftu@gw.njsp.org](mailto:ftu@gw.njsp.org)**
