

Course: G272 Warning Coordination

Location: Anthony “Tony” Canale Training Center
5033 English Creek Ave
Egg Harbor Township, NJ 08234

Date: April 7 - 8, 2020

Time: 8:30 a.m. - 4:30 p.m.

Course Description:

This course addresses warning coordination for weather or flooding related events. It provides training to help facilitate the process whereby State, local, tribal, and territorial officials responsible for warning coordination and communication work closely with the National Weather Service (NWS) and the news media to provide effective warnings that can be received and understood by people at risk. The effective coordination of these warnings is paramount to saving lives and protecting property.

Target Audience:

The target training audience for Warning Coordination includes State, local, tribal, and territorial government emergency program managers, or officials responsible for coordination and communication. The secondary audience includes federal emergency management personnel and employees of Federal, State, local, tribal and territorial governments who work in the emergency management field.

Prerequisite:

[IS-271.A: Anticipating Hazardous Weather & Community Risk, 2nd Edition.](#)
