

L0101 Foundations of Emergency Management

Location: Union County Fire/EMS Academy
1075 Edward Street
Linden, NJ 07036

Dates: Monday, November 15, 2021- Friday, November 19, 2021

Time: 8:30 a.m. - 4:30 p.m.

Course Length (READ CAREFULLY):

Five days, 40 hours. A student must attend all 5 days to receive credit for the L0101 course. You are required to complete multiple pre-work activities prior to attendance. These pre-work activities are designed to enhance each unit with a student's perspectives of emergency management in their jurisdictions. You are responsible for answering each of the pre-work assignments to the best of your ability and bringing the assignments to class. If you are in transition and do not currently work in Emergency Management, research the local Emergency Management organization closest to you.

Course Overview:

The Federal Emergency Management Agency (FEMA) recognizes the need to tie training programs to an established set of emergency management competencies and to a career development program through a progressive training and education system that includes the entry-level Academy, called the National Emergency Management Basic Academy. Training objectives for this course, Foundations of Emergency Management, are based on the newly established Emergency Manager competencies that the National Emergency Management Association (NEMA); the International Association of Emergency Managers (IAEM); and local, State, territorial, and tribal emergency management professionals have established in coordination with the Emergency Management Institute (EMI).

The following topics in emergency management are covered in this course: legal issues; intergovernmental and interagency context; influencing, organizing, social vulnerability issues; managing stress; collaboration, preparedness; team building; mitigation; response; prevention and protection; ethical decision-making; recovery; technology; administration; and the future.

National Emergency Management Basic Academy Description:

The National Emergency Management Basic Academy is a gateway for individuals pursuing a career in emergency management. Similar to basic academies operated by the fire service and law enforcement communities, the National Emergency Management Basic Academy will provide a foundational education in emergency management.

The goal of the Basic Academy is to support the early careers of emergency managers through a training experience combining knowledge of all fundamental systems, concepts, and practices of cutting-edge emergency management.

The Basic Academy consists of the following classroom courses:

E/L0101, *Foundations of Emergency Management* (40 hours) 5 days

E/L0102, *Science of Disaster* (24 hours) 3 days

E/L0103, *Planning: Emergency Operations* (16 hours) 2 days

E/L0146, *Homeland Security Exercise and Evaluation Program (HSEEP)* (16 hours) 2 days

E/L0105, *Public Information and Warning* (24 hours) 3 days

Total Course Hours: 120 hours

Target Audience:

The National Emergency Management Basic Academy is designed for newly appointed emergency managers with less than three years of experience, including members of State, local, tribal, and territorial homeland security or emergency services programs; Nongovernmental organizations, voluntary agencies, or professional organizations; Private sector emergency management offices; College or university emergency management staff; and FEMA, federal partners, military and emergency managers at other departments or agencies.

Selection Criteria:

Applicants will be selected based on properly completed applications, completed prerequisites, and whole community representation. **Class size is limited to 25 students.**

Lodging Information:

There are several options for lodging within 5 miles of the classroom. Please research the area if you seek lodging.
