

**L0105 Public Information and Warning**

Location: Camden County Office of Emergency Management  
2311 Egg Harbor Road, Lindenwold, NJ 08021  
(856) 783-4808

Dates: Monday, May 20, 2019  
Tuesday, May 21, 2019

Time: 8:00 a.m. - 4:00 p.m.

**Additional Information:**

If a participant is taking this course as part of the National Emergency Management Basic Academy, then he or she should take L0101, Foundations of Emergency Management, first (but not required). If a participant is taking this course on its own for Public Information and warning information and not in fulfillment of the Academy requirements, there are no prerequisites.

**Course Description:**

This course introduces participants to what the Public Information Officer (PIO) does in emergency management, along with basic information about the Integrated Public Alert and Warning System (IPAWS). The PIO topics covered include the role of the PIO; communication tools and resources encompassing social media; effective communication; preparing the community through outreach and other means; and communication in an incident. The IPAWS topics covered include what the system is and does, preparing alert and warning messages, and writing common alerting protocol messages. This is a 2-day classroom course that gives participants time to perform activities and exercises to reinforce the knowledge and build basic skills.

**Target Audience**

This course is intended for newly appointed emergency managers from Federal, state, local, tribal, and prospective professionals transferring from another discipline to emergency management.

Registration is required: [FEMA Training Application](#). Fill out the application completely with student signature and signature of supervisor or sponsoring agency official and email it to [ftu@gw.njsp.org](mailto:ftu@gw.njsp.org).
