

Location: NJSP Division Headquarters, ROIC, West Trenton, NJ

Dates: Monday, October 7th through Friday, October 11th, 2019 **(must attend ALL 5 days)**

Time: 8A to 4P each day

Course Overview

This course expands and improves student's ability to deliver EMI Incident Command System (ICS) curricula. Students are provided training on the delivery of:

- ICS-100: Introduction to the ICS
- ICS-200: ICS for Single Resource and Initial Action Incidents
- ICS 300: Intermediate Incident Command System for Expanding Incidents
- ICS-400: Advanced Incident Command System for Complex Incidents
- ICS-402 ICS Overview for Executives and Senior Officials
- G0191, Emergency Operations Center/ICS Interface

Emphasis is placed on classroom-based deliveries. This includes compliance with the National Incident Management Training Program, course activities, pre- and post-testing, and ICS training program management.

Students will perform a teach-back of an assigned unit from the ICS core curriculum as part of the course. Teach-backs are conducted as part of the assessment of instructor competence.

Primary Audience

Participants who have a working knowledge of ICS through experience and training, and have experience delivering adult training. *Participants must have worked as Incident Command, Command or General Staff positions on incidents, planned events, or exercises that were active for multiple operational periods or involved a written action plan, and involved multiagency coordination.*
